

# The Twister

**C720 3/4" Twister Swivel (3/4"M x 3/4"F)**

**C720 1" Twister Swivel (1"M x 1"F)**

The Twister Swivel from Catlow raises the level of swivel flexibility with two (2) high flow 360 degree rotating swivel ends. Special seals protect this heavy duty swivel from extreme cold weather conditions and is designed for blended fuels.

Its high tech engineering, durable construction and economical price will not only "Twist & Turn" your hoses, but your profits as well.

## Features:

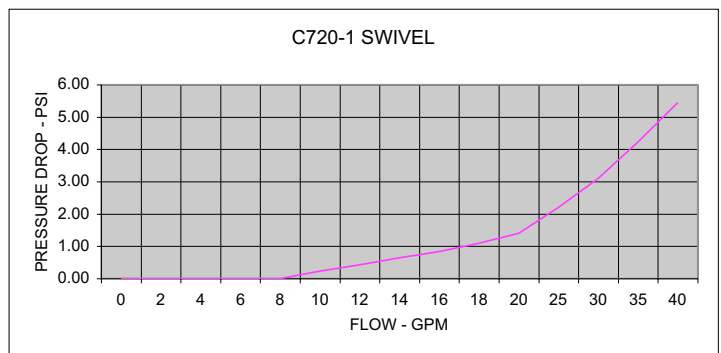

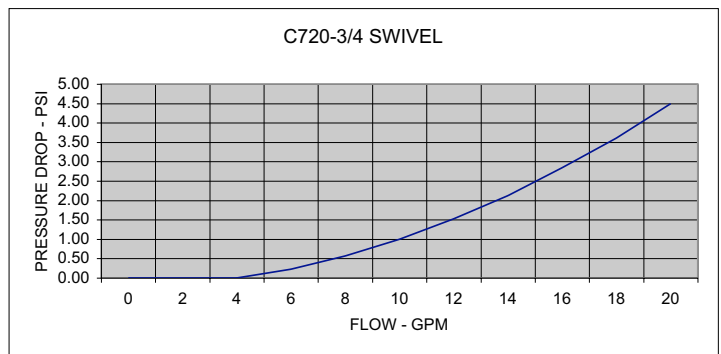

- Lightweight and maintenance free
- 360 degree swivel rotation in middle joint and male end
- Mates with all standard and diesel hoses
- Moves freely and easily in any plane of space
- Does not affect existing hose length
- UL/ULC Listed
- BSPP and BSPT threads available upon request

## Benefits:

- Durable nylon bearing eliminates metal on metal friction for longer life and excellent performance
- Minimal flow restriction
- Both swivel joints have double o'rings
- Fluorosilicone seals perform to -40° F

## Materials:

- Swivel elbow is cast aluminum
- Swivel body is cast ZA-12 Zamak
- Bearing is Acetal
- Seals are Viton® and Fluorosilicone
